We truly serve the living, those left behind to celebrate a loved one's life. Our Commitment is to Create A Meaningful Service, ensuring that the last memory is one that begins with compassion and peace. A memory that builds trust between your family and ours. We will commit all our resources to create that memory, that level of confidence, and we recognize that small things make big impressions. ADULT OUTER BURIAL CONTAINERS

These prices are effective as of March 1, 2011 and are subject to change without notice.

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a burial vault or grave liner will satisfy these requirements.
